PROCLAMATION

"Condemning and Combating Racism, Xenophobia and Intolerance Against Asian American and Pacific Islanders"

WHEREAS, the outbreak of COVID-19 has seen unprecedented devastating effects across countries, communities, and cultures and has led to a rise in hate crimes directed at the Asian American Pacific Islander (AAPI) communities; and

WHEREAS, the City of Federal Way embraces and celebrates our wonderful diversity and is fully committed to the safety, security, and equal treatment of our residents as we confront the COVID-19 pandemic while fully recognizing the disproportionate impact on historically marginalized communities, including communities of color; and

WHEREAS, these ongoing and reprehensible displays of hate have often gone unnoticed and unreported, perpetuating a model minority myth that Asians will be complacent and stay silent, even when being targeted and harmed; and

WHEREAS, Federal Way cherishes our AAPI community holding the distinct honor of having one of the first Korean American Mayor's in the United States and proudly boasting the distinct honor of having the first Korean American Chief of Police in the United States, as well as a majority-minority City Council with three Councilmembers from the AAPI community, including the first Vietnamese American Councilmember elected in state history; and

WHEREAS, the City of Federal Way wishes to affirm our commitment to the well-being and safety of our Asian American Pacific Islander and BIPOC community members and ensures our friends and neighbors know we take their safety seriously; and

WHEREAS, the City of Federal Way urges residents to join us in calling attention to these harms and denouncing hate to help keep us all safe during this unprecedented pandemic and beyond;

NOW, THEREFORE, we, the undersigned Mayor and City Council of the City of Federal Way, do hereby proclaim our renewed and ongoing commitment to be a diverse and inclusive community free from hate and racism so all who live here, work here, and visit here know Federal Way strongly stands against bigotry, xenophobia, hate, and violence based on race, nationality, gender, disability, or religion; and we urge all residents to unite together in solidarity with our Asian-American and Pacific-Islander neighbors.

"Pagkondena at Paglaban sa Rasismo, Pagkasuklam sa Banyaga at Kawalang-pagpaparaya Laban sa mga Asyanong Amerikano at Pacific Islander"

SAPAGKAT, ang biglaang paglitaw ng COVID-19 ay nagpamalas nang walang katulad na mga epektong nagwawasak sa buong mga bansa, komunidad, at kultura at nagbigay-daan sa pagtaas ng mga krimen ng pagkapoot na nakadirekta sa mga komunidad na binubuo ng Asian American Pacific Islander (AAPI); at

SAPAGKAT, ang Siyudad ng Federal Way ay tinatanggap at ipinagdiriwang ang ating kahangahangang pagkakaiba at ganap na nakatalaga sa kaligtasan, seguridad, at pantay na pagtrato ng ating mga residente samantalang hinaharap natin ang COVID-19 na pandemya habang ganap na kinikilala ang epektong hindi naaangkop sa mga komunidad na itinuring ng kasaysayan na walang katuturan, kabilang ang mga komunidad ng tao na may-kulay; at

SAPAGKAT, ang mga kasalukuyan at maaaring masisi na pagpapamalas ng poot ay madalas na hindi napapansin at hindi napapaulat, na pinapanatili ang isang modelo ng alamat ng minorya na ang mga Asyano ay mapagbigay-loob at mananatiling walang kibo, kahit na ginagawang target at sinasaktan;

SAPAGKAT, pinahahalagahan ng Federal Way ang ating komunidad ng AAPI na may-hawak ng natatanging karangalan na isa sa unang Korean American na Alkalde sa Estados Unidos at maipagmamalaki ang natatanging karangalan ng pagkakaroon ng unang Korean American na Chief of Police sa Estados Unidos, pati na rin ang mayorya-minorya na Konseho ng Lungsod na may tatlong miyembro ng Konseho mula sa komunidad ng AAPI, kabilang ang unang Vietnamese American na nahalal bilang miyembro ng Konseho sa kasaysayan ng estado; at

SAPAGKAT, ang Siyudad ng Federal Way ay nagnanais na patunayan ang ating pangako sa kapakanan at kaligtasan ng ating mga miyembro ng komunidad ng Asian American Pacific Islander at BIPOC at tinitiyak na alam ng ating mga kaibigan at kapitbahay na seryosong tinuturing natin ang kanilang kaligtasan; at

SAPAGKAT, ang Siyudad ng Federal Way ay hinihimok ang mga residente na sumama sa atin sa pagtawag ng pansin sa mga pinsala at pagbatikos sa pagkapoot upang matulungan tayong lahat na manatiling ligtas sa panahong ito ng walang katulad na pandemya at nang higit pa;

DAHIL DITO, kami, na nakalagda na Alkalde at Konseho ng Lungsod ng Siyudad ng Federal Way, sa pamamagitan nito ay nagpapahayag ng aming napanibago at patuloy na pangako na maging isang komunidad na naiiba at ingklusibo na malaya mula sa poot at rasismo nang sa gayon ang lahat ng naninirahan dito, nagtatrabaho rito, at bumibisita rito ay nalalaman na matibay na naninindigan ang Fedral Way laban sa pagkapanatiko, pagkasuklam sa banyaga, pagkapoot, at karahasan batay sa lahi, nasyonalidad, kasarian, kapansanan, o relihiyon; at hinihimok namin ang lahat ng residente na magsama-sama nang may matibay na pagkakaisa sa mga kapitbahay nating Asyano-Amerikano at Pacific-Islander.

PROCLAMATION 선언문

"범동양인에 대한 인종차별과 혐오 및 편협적 사고를 규탄하며"

이에, COVID-19 의 창궐로 전례없는 파괴적 영향이 국가 사회 문화 전반에 걸쳐 기승을 부리고, 범아시아계 커뮤니티를 타켓으로 하는 혐오범죄가 날로 증가하고 있습니다.

이에, 페더럴웨이시는 COVID-19 대감염사태가 유독 유색인종을 비롯한 소외된 계층에게 불균형적으로 영향을 미치고 있음을 통감하며, COVID-19대유행에 철저히 대처해나아감은 물론, 우리들의 훌륭한 다양성을 품고 기리며, 주민들의 안전과 안정 그리고 평등한 대우를 최우선으로 하고 있습니다.

한편, 동양인들은 표적이 되고 피해를 입는 상황에서도 현실에 안주하고 침묵하는 형이라 간 주되어옴으로써 이렇듯 비난 받아 마땅한 지속적인 증오의 표출들이 흔히 눈에 띄지도 않았 을 뿐 아니라 공개조차 되지 못했습니다.

이에, 페더럴웨이시는 명예롭게도 미국에서 처음으로 한인시장이 선출되었고, 미국 최초의 한 인경찰국장이 임명되었으며, 워싱턴주 최초 베트남인 시의원을 비롯한 세명의 시의원이 배출 된 범아시아계 커뮤니티를 매우 소중히 생각합니다.

이에, 페더럴웨이시는 범아시아계 및 유색인종 커뮤니티 구성원의 복지와 안전을 지향하는 시차원의 굳은 의지를 다시 한번 다짐하는 바이며, 우리들의 친구와 이웃에게 우리가 그들의 안전을 절대시한다는 확신을 심어주고자 합니다.

이에, 페더럴웨이시는 현재 처한 대감염병 유행과 그 이후까지도 우리 모두를 안전하게 지키 기위해 주민들이 이러한 유해와 규탄 받아야할 혐오를 예의주시하는데 함께 해주시길 요청드 립니다.

그리하여, 여기 서명하는 페더럴웨이 시장과 시의원 모두는 혐오와 인종차별이 없는 다양하고 융화된 커뮤니티를 지켜나감으로써 이곳에서 살아가고 이곳에서 일하며 이곳을 방문하는 모든 사람들이 페더럴웨이시야말로 인종, 출신국가, 성별, 장애, 종교에 근거한 편협한 사고, 외국인 공포증, 증오 및 폭력에 엄중히 대처한다는걸 확신할 수 있도록 부단히 노력할 것임을 천명하는 바입니다. 우리는 모든 주민들이 범아시아계 이웃들과 연대적으로 결속해줄 것을 희망합니다.

1. CALL MEETING TO ORDER

Mayor Ferrell called the meeting to order at 5:00 p.m.

City officials in attendance: Mayor Jim Ferrell, Council President Susan Honda, Councilmember Lydia Assefa-Dawson, Councilmember Greg Baruso, Councilmember Hoang Tran, Councilmember Leandra Craft, and Councilmember Linda Kochmar.

Mayor Ferrell announced Councilmember Martin Moore is excused.

City staff in attendance: City Attorney Ryan Call and City Clerk Stephanie Courtney.

2. PLEDGE OF ALLIGIANCE

Mayor Ferrell led the flag salute.

3. STUDY SESSION – DEIS FOR SOUND TRANSIT OPERATIONS AND MAINTENANCE FACILITY (OMF) SOUTH

Ryan Medlen, City Liaison to Sound Transit, welcomed and re-introduced Government & Community Relations Manager Andrew Austin and Project Development Director Curvie Hawkins who presented information on the Sound Transit Operations and Maintenance Facility South Draft Environmental Impact Study findings.

Mr. Austin thanked the Mayor and Council for the opportunity to present. He noted the OMF South facility was included in the ST3 Plan and is one of four planned in the region. The facility will hold 144 light rail vehicles and will create hundreds of living wage jobs.

Mr. Hawkins provided more specific information on the process of evaluating the three sites including the Midway Landfill Alternative, the South 336th Street Alternative and the South 344th Street Alternative. The draft EIS was prepared under State Environmental Policy Act (SEPA) with Sound Transit as the lead agency. The analysis includes environmental impacts and potential mitigation measures. The Sound Transit Board will identify a preferred alternative and the project will comply with National Environmental Policy Act (NEPA).

Mr. Hawkins reviewed each of the three alternatives and noted site comparisons and differences including residential and business displacement, community and social resource impacts, estimated employee displacements, sensitive areas (wetland, forest, and stream) impacts, construction timelines, construction truck trips and estimated operating costs.

The remaining timeline was noted and included the Sound Transit Board identifying a preferred alternative in the Summer/Fall of 2021 followed by the final Environmental Impact Study issued in mid-2022. The Sound Transit will select the project to be built in Mid/Late 2022.

Contact information for comments and details on online public meetings was also provided for input on the project.

City Councilmembers thanked Mr. Austin and Mr. Hawkins for the presentation. Questions were raised regarding the DEIS including the possibility of relocation assistance, the impact on schools and childcare centers, the opportunity for government assistance to repurpose the Midway landfill site, and the long-term economic impact on the city if this facility is sited in Federal Way.

Chelsea Levy, South Corridor Development Director, also spoke to address questions raised about impacts such as noise and noted this document is a draft and questions raised will be addressed in the final document; she also responded to questions regarding the BPA powerlines.

4. PUBLIC COMMENT

<u>Brian Nash</u> would like to minimize the impact and asked the city to work with Sound Transit to ensure the community is not surprised by the decision, if one of the Federal Way sites are chosen. He also referenced a letter he shared with the Council.

<u>Peter Barbin</u> shared concerns regarding the adjusted boundary lines for 10A site noting the new boundaries result in additional impact to homes and wetlands.

Letter read by City Clerk from <u>Ken Broyles</u> in opposition of the 10A location of the OMF and supporting the Midway Landfill location.

<u>Cynthia Ricks-Maccotan</u> provided comments regarding the lack of cost benefit analysis in the DEIS in regards to the to BIPOC communities and the BIPOC community resources which could be impacted. She would like to know how many truly marginalized families, businesses, and individuals will be displaced and impacted. She also inquired about the economic impact and the impact to the Hylebos over time. She believes the displacement costs associated with the two Federal Way sites would be greater than a cost difference of the Midway landfill site.

Council President Honda stated the Council shares the public concerns and believe they may need to write another letter or join with other jurisdictions to make sure their voices are heard.

6. PUBLIC HEARING

a. Updated Program Year 2021 Community Development Block Grant (CDBG) Annual Action Plan

Mayor Ferrell opened the public hearing at 8:05 p.m.

Community Services Manager Sarah Bridgeford provided information on the 2021 Annual Action Plan than included a placeholder funding in the Housing Repair Program. Timing precluded the City from a new process to allocate the funds. The city's 2021 CDBG allocation is \$768,610. She provided details on the updated plan and noted available funding could range from \$403,610 to \$440,610 due to various reasons.

Ms. Bridgeford recommends using the proposed funds for the acquisition and/or rehabilitation of a shelter for adults experiencing homelessness. A permanent shelter continues to represent a gap in the city and has been identified in the Homelessness Task Force report whose recommendations were reviewed and approved by City Council in October 2019. She noted Mayor Ferrell supports establishing a permanent, year-round shelter.

She further provided details on the broad scope of the project noting a specific project or provider has not been identified. Using a competitive process, the Human Services Commission would review and present recommendations to the City Council. As funding needs will exceed available CDBG funds, a timeline is not known and this funding may be held for a future project.

Councilmembers thanked Ms. Bridgeford for the information and her presentation asking clarifying questions including partnering with King County or other entities.

Public Comment:

Alison Eisinger spoke as a representative of the Seattle-King County Coalition on Homelessness and noted the systemic causes of homelessness as well as the need to act regionally with a shared sense of responsibility. She thanked the people of Federal Way in making a significant contribution to the community.

City Attorney Ryan Call provided information for this item. Mr. Call noted the Lieutenants Association entered into a 3-year collective bargaining contract covering 2019-2021. In 2020, the Association decertified in order to unionize under Teamsters Local 117. Teamsters Local 117 is adopting the remaining original negotiated 3-year contract with several minor changes that have no direct financial impact to the City.

Wages and other terms of the existing CBA will remain in effect, with the city agreeing to facilitate Lieutenant participation in the Teamsters Retirees' Welfare at the employees' expense. Other minor grammatical corrections were made and the name of the unit was updated.

COUNCIL PRESIDENT HONDA MOVED APPROVAL OF THE PROPOSED COLLECTIVE BARGAINING AGREEMENTT; SECOND BY COUNCILMEMBER BARUSO. The motion passed unanimously as follows:

Building Official Scott Sproul provided background information on this draft ordinance. He stated construction codes enforced by the City fall into two categories: state mandated codes and local codes adopted by a jurisdiction.

State mandated codes are required to be enforced at the city and county level pursuant to RCW 19.27, 19.27A, and 19.28. Cities adopt codes at the local level in order to reconcile these codes with other regulatory requirements and established fee resolutions. Local codes are permissible and are needed in order to provide enforcement for local building requirements.

Mr. Sproul provided examples of the State Mandated Codes which include the International Fire Code, International Property Maintenance Code, Washington State Energy Code, and Uniform Plumbing Code. Local codes adopted by Federal Way includes regulations for swimming pools, hot tubs and spas.

The Mayor and Council thanked Mr. Sproul for his presentation.

No public comment was given.

City clerk read the ordinance title into the record.

9. COUNCIL REPORTS

Councilmember Kochmar will be meeting with the Senior Advisory Commission Chair to discuss what can be done to help seniors on fixed income. She noted the possibility of reduced Community Center fees. She recognized Council President Honda as having been selected as the favorite city leader for the seventh year in a row. She closed her comments sharing an Irish blessing in recognition of St. Patrick's Day.

Councilmember Craft congratulated all the winners of the Best of Federal Way. She noticed and expressed excitement for the additional public involvement in local politics including public comments and letters/emails to Council.

Councilmember Tran recognized the women serving our community, especially hose on the Council and acknowledged the honor it is to serve alongside them.

Councilmember Baruso also congratulated Council President Honda and recognized the women serving on City Council. He works for Port of Seattle and announced they will be opening a vaccination clinic on March 17 to vaccinate individuals with airport jobs, many of whom live in Federal Way. He also relayed those who are vaccinated should wait at least six months before getting a mammogram as they might get a false positive. He noted that dinners are being provided outside the old Metropolitan Market on Mondays, Tuesdays through Thursdays from 3:00 to 5:00 p.m. by Winston Bell, King County Library, and Game of Life.

Councilmember Assefa-Dawson also congratulated Council President Honda and thanked everyone for acknowledging and honoring women in legislation.

Council President Honda thanked everyone for the acclaim noting it was an honor and surprise to win the award again. She announced March 21 is World Day for Downs Syndrome. She spoke of a local mom (Andrea, no last name provided) she admires noting the work she does in helping others understand Downs Syndrome and how to work with children. Andrea and her daughter are putting butterflies around Federal Way in recognition of World Day for Downs Syndrome. She reported on a workshop given by Jurassic Parliament titled *Zoom: Ruining your Relationships or at least your Meetings.* She asked about school speed zones now that students are returning to school and asked how the public is being notified.

Mayor Ferrell asked Public Works Director EJ Walsh to provide an update and he indicated the cameras were activated per the schedule given to the city by the school district. Due to state mandates being adjusted and the start date being pushed back the school zones and cameras activated before students returned to school. This was due to information being given to staff in too short a timeframe to reprogram the zones. Police Chief Andy Hwang indicated while the lights and cameras were and are functional, no tickets will be given until March 25.

The following are highlights of the February 2021 Monthly Financial Report. Detailed financial information can be found after the summary report.

Notable Areas

- 1. Sales Tax is \$0.02M or 1.2% above 2021 year-to-date budget, but \$0.03M or 1.7% below 2020 year-to-date collections.
- 2. CD Permits & Fees is \$0.4M or 102.3% above 2021 year-to-date budget and \$0.4M or 120.1% above 2020 year-to-date collections.
- 3. Utility Tax is \$0.14M or 10.8% above 2021 year-to-date budget, and \$0.40M or 40.2% above 2020 year-to-date collections.
- 4. Business License Fees are \$13K or 12.7% below 2021 year-to-date budget, and \$71K or 43.8% below 2020 year-to-date collections. Business licensing fees are received based on the State anniversary date, therefore revenue is lower at the beginning of the year, and will grow more evenly throughout the year.

General & Street Fund Summary

Revenues are below the year-to-date budget by \$0.3M or 9.4%. Property tax, criminal justice sales tax, admissions tax, gambling tax, state shared revenue, leasehold tax, court and probation revenue, business license fees, passport agency fees, parks and general recreation fees, police services, and interest earnings are primarily responsible for the decrease in revenues. Sales tax, and CD and PW permits and fees are above the year-to-date budget.

Total General & Street Fund expenditures are below the year-to-date budget by \$1.0M or 14.0%. Police is under year-to-date budget by \$0.2M due to timing of expenditures and filling of vacant positions.

Property tax is below 2020 year-to-date actual by \$34K or 25.8%, and below 2021 year-to-date budget by \$38K or 27.7%.

Sales tax is below 2020 year-to-date actual by \$0.03M or 1.7%, but above 2021 year-to-date budget by \$0.02M or 1.2%.

Additionally, **criminal justice sales tax** collected county-wide is below 2020 year-to-date actual by \$8K or 2.7%, and below 2021 year-to-date budget by \$31K or 9.7%.

Community Development permits and fees are above the 2020 year-to-date actual by \$0.4M or 120.1%, and above 2021 year-to-date budget by \$0.4M or 102.3%. In 2021, there was one large permit/review fee for Redondo Heights Senior Living facility.

Court revenue is below 2020 year-to-date actual by \$13K or 7.7%, and below 2021 year-to-date budget by \$31K or 17.0%. This is primarily due to a decrease in traffic and non-parking infraction enforcement.

Probation revenue is below 2020 year-to-date actual by \$5K. As of the end of February, probation revenue is \$36K less than expenditures, although the probation division was intended to be self-sufficient. New state law prevents the City from aggressive collection of both court and probation fees from indigent individuals; most individuals in our courts are identified as indigents.

Admissions Tax is being paid monthly and as of the end of February, the City has collected \$0, which is \$29K below actuals last year. This is due to the AMC movie theater closing and Covid-19 pandemic.

Business License Fees is below 2021 year-to-date budget by \$13K or 12.7%, and below 2020 year-to-date actual by \$71K or 43.8%. Business licensing fees are received based on the State anniversary date, therefore revenue is lower at the beginning of the year, and will grow more evenly throughout the year. Using the State system allows us to see or find businesses that are located in Federal Way with a State license but without a city license. We have professionally and aggressively gone after these businesses.

Park & General Recreation Fees is below 2021 year-to-date budget by \$136K or 78.3%, and \$53K or 58.4% below 2020 year-to-date actuals. This is primarily due to parks facilities closing due to Covid-19 on March 12, 2020.

Designated Operating Funds

Expenditures are below 2021 year-to-date budget by \$0.95M or 31.3% and are primarily due to timing of payments in Arterial Streets, Hotel/Motel Lodging Tax, Traffic Safety, Surface Water Management, Federal Way Community Center, Jail Services, and Covid-19.

Jail is under the year-to-date budget by \$0.40M or 72.3% primarily due to having lower average daily population (ADP) of inmates. The budgeted ADP is 70, but actual ADP is 21.9 for January, and 20.2 for February.

Utility tax revenues received year-to-date as reported on the monthly financial report totals \$1.4M and is \$0.40M or 40.2% above 2020 year-to-date actual, and \$0.14M or 10.8% above 2021 year-to-date budget.

The following is the comparison of 2021 year-to-date actual to 2020 year-to-date actual by category:

Electricity – current year-to-date decrease by \$13K or 2.6%

Gas – current year-to-date increase by \$89K or 40.6%

Water/Sewer – received \$76K year-to-date, with no amount received in 2020

Solid Waste - current year-to-date increase by \$204K or 208.3%

Cable – current year-to-date decrease by \$11K or 8.2%.

Cellular – current year-to-date increase by \$18K or 68.6%.

Federal Way Community Center 2021 year-to-date revenues of \$71K is below 2021 year-to-date budget by \$258K or 78.5%, and below 2020 year-to-date actual by \$0.2M or 76.9%. 2021 year-to-date expenditures of \$0.23M is below 2021 year-to-date budget by \$133K or 36.2%, and below 2020 year-to-date actual by \$100K or 29.9%. The ending fund balance of \$1.50M meets the required reserve fund balance policy of \$1.5M.

Real estate excise tax 2021 year-to-date revenues of \$0.4M is below 2020 year-to-date actual by \$0.04M or 7.5%, and below the 2021 year-to-date budget by \$0.04M or 8.6%. In January thru February, there were 195 taxable residential sales (total sales \$79.7M / \$392K tax), and 3 commercial sales (total sales \$7.8M / \$39K tax).

The submission of a bid shall constitute an acknowledgment upon which the City may rely that the bidder has thoroughly examined and is familiar with the bid and Contract Documents, the Project site, the availability of materials and labor, publically available information, and has reviewed and inspected all applicable federal, state, and local statutes, regulations, ordinances and resolutions dealing with or related to the equipment and/or services to be provided herein. The failure or neglect of a bidder to examine such documents, statutes, regulations, ordinances or resolutions shall in no way relieve the bidder from any obligations with respect to the bidder's bid or the contract documents. No claim for additional compensation will be allowed which is based upon a lack of knowledge of any contract documents, statutes, regulations, ordinances or resolutions. Bidders shall visit delivery and service locations(s) as required. Bidders shall become familiar with and verify any environmental factors, which may impact current or future prices for this requirement.

(3) INTERPRETATION OF BID AND CONTRACT DOCUMENTS

No oral clarifications, interpretations, or representation will be made to any bidder as to the meaning of the bid or Contract Documents. Bidders shall not rely upon any oral statement or conversation they may have with City's employees, agents, representatives, consultants, or design professionals regarding the Contract Documents, whether at the pre-bid meeting or otherwise and no oral communications will be binding upon the City. Any questions must be directed to Leif Ellsworth, Community Center Manager, by email at leif.ellsworth@cityoffederalway.com or by letter addressed to same. The questions must be received by the City no later than 5:00 p.m. three business days preceding the bid opening to allow a written reply to reach all prospective Bidders before the submission of their bids. All such Addenda shall become part of the bid.

(4) BID PRICE

The bid price shall include everything necessary for the completion of the Contract and the Work including, but not limited to, furnishing all materials, equipment, tools, freight charges, facilities and all management, superintendence, labor and service, except as may be provided otherwise in the Contract Documents. In consideration for the City's review and evaluation of its bid, the bidder waives and releases any claims against the City arising from any rejection of any or all bids. PUBLIC WORKS CONTRACT

THIS PUBLIC WORKS CONTRACT ("Contract") is dated effective this day of, 20 and is made by and between the City of Federal Way, a Washington municipal corporation ("City or Owner"), and ("Contractor"), for the project known as (the "Project").
A. The City desires to retain an independent contractor to furnish all labor and materials necessary to perform work necessary to complete the Project; and
B. The Contractor has the requisite skill and experience to perform such work.
NOW, THEREFORE, the parties ("Parties") agree to the following terms and conditions:
1. SERVICES BY CONTRACTOR Contractor shall perform all Work and furnish all tools, materials, supplies, equipment, labor and other items incidental thereto necessary for the construction and completion of the Project. Contractor shall perform the Work in a manner consistent with accepted practices for other properly licensed contractors and in accordance with and as described in the Contract Documents, which Work shall be completed to the City's satisfaction, within the time period prescribed by the City and pursuant to the direction of the Mayor or his or her designee.
2. TERM 2.1 This Contract shall commence on the effective date of this Contract and continue until the Project is formally accepted as complete by the City Council, Notice of Project Completion is filed with State agencies, and all bonds for the Project are released by the City.
2.2 The Contractor must complete the Work in accordance with the number of Working Days for the Project as identified in the Contract Documents. With regard to obtaining Substantial Completion and the Completion Date by the Contractor, time is of the essence. In the event the Work is not substantially completed within the time specified in the Contract Documents, Contractor agrees to pay to the City liquidated damages in the amount set forth in the Contract Documents. The parties acknowledge that delays inconvenience the public and cost taxpayers undue sums of money, adding time needed for administration, inspection, and supervision of the Project and diverting City resources from other projects and obligations.
2.3 If the Contractor is unreasonably delayed by others, notification shall be made in writing to the Engineer in accordance with the Contract Documents. Any request for a time extension or additional compensation (including expectancy or consequential damages) allegedly resulting from such delay shall be made in accordance with the procedures of the Contract Documents. Failure to follow the notice procedures in the Contract Documents is a full and complete waiver of Contractor's right to additional time, money, damages, or other relief (including expectancy or consequential damages) as a result of the event or condition giving rise to such request.
3.1 In consideration of the Contractor performing the Work, the City agrees to pay the Contractor an amount not to exceed and/100 Dollars (\$), which amount shall constitute full and complete payment by the City ("Total Compensation"). The Contractor shall be solely responsible for the payment of any taxes imposed by any lawful jurisdiction as a result of the performance and payment of this Contract.
3.2 The City shall pay the Contractor for Work performed under this Contract as detailed in the Bid Proposal, which is incorporated herein and made a part hereof by this reference, and as detailed in the Contract Documents. The City shall have the right to withhold payment to the Contractor for any of the Work not completed in a satisfactory manner, in the City's sole and absolute discretion, which shall be withheld until such

time as Contractor modifies or repairs the Work so that the Work is acceptable to the City. Payment to the Contractor for partial estimates, final estimates, and retained percentages shall be subject to controlling laws.

3.3 In addition to the requirements set forth in the Contract Documents, the Contractor shall maintain Project cost records by cost codes and shall contemporaneously segregate and separately record, at the time incurred, all costs (1) directly associated with each work activity, (2) directly or indirectly resulting from any event, occurrence, condition, or direction for which Contractor seeks an adjustment in Contract price Contract time, or related to any other Claim or protest. Any work performed for which Contractor intends to seek an adjustment in Contract Price or Contract Time, or related to any other Claim or protest, shall be recorded on the same day the work is performed and kept separate so as to distinguish it from Contract Work.

4. INDEPENDENT CONTRACTOR

- 4.1 It is the intention and understanding of the Parties that the Contractor shall be an independent contractor and that the City shall be neither liable nor obligated to pay Contractor sick leave, vacation pay or any other benefit of employment, nor to pay any social security or other tax which may arise as an incident of employment. The Contractor shall not conduct itself as nor claim to be an officer or employee of the City. The Contractor shall pay all income and other taxes due. Industrial or any other insurance that is purchased for the benefit of the City, regardless of whether such may provide a secondary or incidental benefit to the Contractor, shall not be deemed to convert this Agreement to an employment contract. It is recognized that Contractor may or will be performing professional services during the Term for other parties; provided, however, that such performance of other services shall not conflict with or interfere with Contractor's ability to perform the Services. Contractor agrees to resolve any such conflicts of interest in favor of the City. Nothing contained in this Contract shall create a contractual or direct relationship with or a cause of action in favor of a Subcontractor or third party against the City, or by the Contractor against the Engineer, or against any of their agents, employees, engineers, or consultants.
- 4.2 If the Contractor is a sole proprietorship or if this is a contract with an individual, the contractor agrees to notify the City and complete any required form if the Contractor retired under a State of Washington retirement system and agrees to indemnify any losses the City may sustain through the Contractor's failure to do so.

5. INDEMNIFICATION

- 5.1 Contractor Indemnification.
- 5.1. The Contractor shall indemnify, defend, and hold the City, its elected officials, officers, employees, agents, consultants, and volunteers (collectively "the Indemnified Parties") harmless from any costs or losses, and pay and damages or judgments, related to any claim brought by any person employed in any capacity by the Contractor or subcontractor or supplier (of any tier) performing the Work, with respect to the payment of wages, salaries, or other compensation or benefits including but not limited to benefits such as medical, health, retirement, vacation, sick leave, etc.
- 5.1.2. To the fullest extent permitted by law, the Contractor shall defend, release, indemnify, and hold harmless the City and the Indemnified Parties for, from, and against any and all claims, demands, losses, costs, damages, suits, actions, expenses, fines, penalties, response costs, and liabilities (including costs and all attorney and expert fees and internal personnel costs of investigation) of whatsoever kind or nature to the extent arising from, resulting from, connected with, or incident to the Contractor's performance or failure to perform this Contract or the Work or its breach of this Contract; provided, however, that if the provisions of RCW 4.24.155 apply to the Work and any injuries to persons or property arising out of the performance of this Contract are caused by or result from the concurrent negligence of the Contractor or its subcontractors, agents, employees, or anyone for whom they are legally liable, and an Indemnified Party, the indemnification and defense obligations under this Section 5.1.2 apply only to the extent of the negligence of the Contractor, its subcontractors, agents, employees, and anyone for whom they are legally liable.
- 5.1.3 Contractor specifically assumes potential liability for actions brought by the Contractor's own employees or former employees against any Indemnified Party, and for that purpose Contractor waives any immunity that may be granted to it under the Washington State Industrial Insurance Act, Title 51 RCW.

Contractor's indemnification shall not be limited in any way by any limitation on the amount of damages, compensation or benefits payable to or by any third party under workers' compensation acts, disability benefit acts or any other benefits acts or programs. Provided, however, the Contractor's waiver of immunity by the provisions of this paragraph extends only to claims against the Contractor by any Indemnified party, and does not include, or extend to, any claims by the Contractor's employee directly against the Contractor. The Contractor recognizes that this waiver was specifically entered into.

- 5.2 Contractor Release. Any deviation, alteration, variation, addition, or omission in the Work by Contractor from the Contract Documents shall preclude Contractor from bringing any Claim or request for additional time or compensation on the basis of an alleged defect or error in the Contract Documents related to or arising, in any way, from that deviation, alteration, variation, addition, or omission. The Contractor further warrants that any alteration, variation, deletion, or omission fully complies with or exceeds all requirements of the Contract Documents and assumes all risk thereof.
- 5.3 <u>Survival</u>. The provisions of this Section shall (1) survive the expiration or termination of this Contract with respect to any event occurring prior to such expiration or termination, final payment hereunder, and any applicable statute of repose with respect to claims, fines, costs or damages brought or made against any Indemnified Party; (2) shall not be limited by RCW 4.16326(g); and (3) are in addition to any other rights or remedies which the City and/or any of the Indemnified Parties may have by law or under this Contract.
- 5.4 Offset. In the event of any claim or demand made against any Indemnified Party hereunder, the City may, in its sole discretion, reserve, retain or apply any monies due to the Contractor under the Contract or any other agreement or contract with the City for the purpose of resolving such claims; provided, however, that the City may, in the City's sole discretion, release such funds if the Contractor provides the City with adequate assurance of the protection of the City's and the other Indemnified Parties interests.
- 5.5 The Contractor shall ensure that each Subcontract includes a provision requiring each Subcontractor to indemnify and defend the City and the Indemnified Parties in the same manner, to the same extent, and for the same duration as Contractor agrees to indemnify and defend the City and the Indemnified Parties in this Section 5.

6. OWNERSHIP OF DOCUMENTS

All originals and copies of work product, including plans, sketches, layouts, designs, design specifications, records, files, computer disks, magnetic media, all finished or unfinished documents or material which may be produced or modified by Contractor while performing the Work, whether or not required to be furnished to the City, shall become the property of the City, shall be delivered to the City at its request, and may be used by the City without restriction.

PATENTS, COPYRIGHTS, AND RIGHTS IN DATA

- 7.1 Any patentable result or material suitable for copyright arising out of this Contract shall be owned by and made available to the City for public use, unless the City shall, in a specific case where it is legally permissible, determine that it is in the public interest that it not be so owned or available.
- 7.2 The Contractor agrees that the ownership of any plans, drawings, designs, specifications, computer programs, technical reports, operating manuals, calculations, notes and other work submitted or which is specified to be delivered under this Contract, whether or not complete (referred to in this subsection as "Subject Data"), is hereby irrevocably transferred and assigned to the City and shall be vested in the City or such other local, state or federal agency, if any, as may be provided by separate contract with the City. The Contractor shall execute and deliver such instruments and take such other action(s) as may be requested by the City to perfect or protect the City's rights to such Subject Data and work product, and to perfect the assignments and transfers contemplated in Sections 6 and 7.
- 7.3 All such Subject Data furnished by the Contractor pursuant to this Contract, other than documents exclusively for internal use by the City, shall carry such notations on the front cover or a title page (or in such case of maps, in the same block) as may be requested by the City. The Contractor shall also place their

endorsement on all Subject Data furnished by them. All such identification details shall be subject to approval by the City prior to printing.

7.4 The Contractor shall ensure that substantially the foregoing paragraphs in Sections 6 and 7 are included in each subcontract for the work on the Project.

8. GENERAL PROVISIONS

- 8.1 Entire Contract. The Contract Documents contain all of the agreements of the Parties with respect to any matter covered or mentioned in this Contract and no prior agreements or understandings pertaining to any such matters shall be effective for any purpose. In entering into this Contract, neither party has relied upon any statement, estimate, forecast, projection, representation, warranty, action or agreement of the other party except for those expressly contained in the Contract Documents.
- 8.2 <u>Documents</u>. The documents incorporated by reference, as if fully set forth in this Contract, are the Advertisement for Bids, the Instructions to Bidders and Checklists, the Contractor's Bid Proposal (including all forms and supplemental information listed on the Bidders Checklist), the Contract Documents (including Project Plans, Specifications, and all Appendices, Amendments, and Supplemental Reports & Information), the Contract Provisions (including all forms and supplemental information listed on the Contract Checklist), the version of the Washington State Standard Specifications for Road, Bridge, and Municipal Construction identified herein, and any other documents provided to bidders and/or referenced in or referred to by the Contract Documents.
- 8.3 <u>Modification</u>. No provisions of this Contract, including this provision, may be amended or added to except by agreement in writing signed by the Parties or their respective successors in interest in accordance with the Contract Documents.
- 8.4 Change Orders. In addition to its rights under the Contract Documents, the City may unilaterally issue a Change Order at any time making changes within the general scope of the Contract, without invalidating the Contract and without providing notice to sureties. The City's issuance of a unilateral Change Order shall not be construed as a waiver of any rights afforded the City, including its right to reject a prior protest or request for change or Claim due to untimeliness or the Contractor's failure to fully comply with the requirements of the Contract Documents, or to void the unilateral Change Order due to unilateral mistake, misrepresentation, or fraud.
- 8.5 <u>Total Cost Method / Claims</u>. In no event shall a Total Cost Method or a modified Total Cost Method be used by the Contractor to calculate any adjustments to the Contract price. For the purpose of this provision, any cost method, or variety of cost methods, using the difference between the actual cost of the Work and the Bid or Contract price of the Work to calculate any additional compensation or money owed to the Contractor shall be considered a Total Cost Method. In addition, the City shall not be responsible for, and the Contractor shall not be entitled to, any compensation for unallowable costs. Unallowable costs include, but are not limited to: (i) interest or attorneys' fees, except as mandated by statute; (ii) Claim preparation or filing costs; (iii) the costs of preparing notices or protests; (iv) lost profits, lost income, or lost earnings; (v) costs for idle equipment when such equipment is not at the Site, has not been employed in the Work, or is not scheduled to be used at the Site; (vi) claims consulting costs; (vii) expert fees and costs; (viii) loss of other business; and/or (ix) any other special, consequential, expectancy, incidental, or indirect damages incurred by the Contractor, Subcontractors, or suppliers.
- 8.6 Warranties and Guarantees. In addition to the requirements of the Contract Documents, the Contractor warrants that all portions of the Work that will be covered by a manufacturer's or supplier's guarantee or warranty shall be performed in such a manner so as to preserve all rights under such guarantees or warranties. If the City attempts to enforce a claim based upon a manufacturer's or supplier's guarantee or warranty and such manufacturer or supplier refuses to honor such guarantee or warranty based, in whole or in part, on a claim of defective installation by the Contractor or a Subcontractor, the Contractor shall be responsible for any resulting loss or damage, and repairs, incurred by the City as a result of the manufacturer's or supplier's refusal to honor such guarantee or warranty. This obligation survives termination of this Contract.

- 8.7 <u>Full Force and Effect</u>. Any provision of this Contract, which is declared invalid, void or illegal, shall in no way affect, impair, or invalidate any other provision hereof and such other provisions shall remain in full force and effect.

Dear Brian:

I am writing to you to inform you that upon my recommendation, the 2021-2022 King County budget included an expenditure restriction to direct county funding towards your organization. The budget includes \$25,000 reserved for the Federal Way Performing Arts and Event Center to support arts and cultural programs and operations during and after the COVID-19 pandemic.

In the new year, someone with King County should be contacting you to discuss the project itself. Please ensure that my Chief of Staff, Tyler Pichette, is copied on <u>all</u> correspondence. It is important that you (or somebody you designate as the official point of contact) fill out the necessary paperwork as quickly as possible so that the funding will become available to you.

Congratulations on being awarded this funding. I look forward to working with you to fulfill this project and promote community service and recovery in South King County. If I or my office can ever be of assistance to you, please call me at 206-477-1007 or email pete.vonreichbauer@kingcounty.gov.

RESOLUTION NO. ____

A RESOLUTION of the City of Federal Way, Washington, concerning needle distribution by Seattle-King County Public Health and other organizations.

WHEREAS, the City of Federal Way does not support the distribution of drug paraphernalia and hypodermic needles in parking lots and public spaces with no clear emphasis on exchanges for used needles or referrals to drug treatment services; and

WHEREAS, unlike programs that exchange used needles for new ones, and thus reduce the number of needles in the environment, the giveaway of hypodermic needles present an immediate danger to our public, environment, and the well being of our community; and

WHEREAS, thanks to the vigilance of our local community organizers this issue was brought to the forefront of conversation with elected and appointed leaders regionally with thoughtful consideration and concern; and

WHEREAS, the City of Federal Way acknowledges that needle exchange programs can be an effective method of disease prevention and provide access to services to those addicted to drugs, we do not believe it is appropriate to indiscriminately pass out needles in our community with no verifiable background on those receiving the needles and without notice to our community, local government, or healthcare providers.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF FEDERAL WAY, RESOLVES AS FOLLOWS:

Section 1. That the City of Federal Way calls on Seattle-King County Public Health and any other organizations conducting needle exchange programs to suspend hypodermic needle giveaway

*Resolution No. 21-_____

programs until such time that they can be conducted in a manner that is mindful of the concerns of the people of Federal Way and in a manner calculated to reduce needle proliferation and encourage rehabilitation.

Section 2. We acknowledge the voluntary and temporary suspension of this program by Seattle-King County Public Health. Additionally, we respectfully request that prior to any restart of needle distribution in Federal Way, Seattle-King County Public Health and the City of Federal Way engage in meaningful dialogue for the purposes of public education, outreach, and to clarify the intent of this program.

Section 3. That future conversations regarding the needle giveaway program involve public engagement. It is our collective belief that handing out needles in parking lots does not further the goal of treatment or helping those we serve. We believe as representatives of the public, our governments should work together constructively and collaboratively to provide relief and treatment for those in need.

<u>Section 4. Corrections</u>. The City Clerk and the codifiers of this resolution are authorized to make necessary corrections to this resolution including, but not limited to, the correction of scrivener/clerical errors, references, resolution numbering, section/subsection numbers and any references thereto.

Section 5. Effective Date. This resolution shall be effective immediately upon passage by the Federal Way City Council.

Re: Operations and Maintenance Facility - South Draft Environmental Impact Statement

Dear Sound Transit Board Members,

The City of Federal Way's Mayor and Councilmembers have reviewed the findings of the Draft Environmental Impact Statement (DEIS) of the potential sites for the Operations and Maintenance Facility South (OMF-South), conducted a Council Study Session with Sound Transit staff, have heard from our community, and have reviewed technical comments prepared by City staff. Our review has affirmed our belief that the Midway Landfill needs to be identified as the preferred alternative and ultimately be the site selected for this facility and the two Federal Way sites should be removed from further review.

We recognize that Sound Transit is building new transit infrastructure to support sustainable growth in our region. In doing so, Sound Transit should not make a decision that will have a lasting negative impact. Environmental review by way of NEPA and SEPA was implemented at the Federal and State levels to evaluate the impacts of government decisions in order to prevent them from causing unnecessary impacts to communities like those that the OMF-South will have in Federal Way. The 336th Street site will remove a church, a school, and a daycare that serve our community as well as residences and other businesses. The 344th Site will remove multiple churches, 20 residences, and a dozen businesses, including the Garage Town community that the DEIS presents as a single business but is in fact made up of over 60 unique owners and Ellenos Real Greek Yogurt, who recently invested millions of dollars in improvements to their regional and growing business. The Midway Landfill will displace significantly fewer businesses and employees, no residents, and no civic institutions.

The DEIS presents a clear preferred alternative when the impacts are considered and it is the Midway Landfill. In accordance with NEPA and SEPA, cost is not an Environmental Impact, however the prepared DEIS clearly shows that Sound Transit has elected to include costs within the decision matrix. In considering the overall impacts and a robust environmental review process, cost cannot be a factor in your decision, the impacts to the Federal Way sites are significant and will be far too detrimental to our community.

The DEIS overtly assumes that the City of Federal Way will approve vacating public roads, that City staff will modify our Development Standards to permit this development that would not be approved of other public or private developers, or that adequate mitigation to these items could be found. We strongly object to Sound Transit's finding of regulatory certainty on behalf of the Federal Way sites by unilaterally

and assuming City approval. Additionally, Sound Transit does not have adequate authority to commit the City of Federal Way to a future legislative act in vacation of opened and utilized public right-of-way.

The City and Sound Transit have a shared interest in the success of the light rail system and have enjoyed a successful partnership on the Federal Way Link Extension to date. We have seen and heard from Sound Transit a willingness to look to the future and make the decisions that are in the best interest for the future of this region. In this spirit, we ask that the Sound Transit Board remove the two Federal Way locations and select the Midway Landfill as the preferred alternative and site of the new OMF-South.

City staff will provide additional technical comments under separate cover.

SUBJECT:

Adoption of State Mandated Building and Construction Codes

Financial Impacts:

The adoption of the 2018 Building Codes does not have any current or future impacts to the City Budget. The adoption process follows a three-year code-revision cycle.

Background Information:

The proposed ordinance will adopt and amend the currently state-mandated 2018 *International Building Codes, Uniform Plumbing Code, National Electrial Code*, and other building constructuion regulations pursuant to RCW 19.27, 19.27A, and 19.28. The model codes are revised by the publishers on a three-year cycle. The model code are then adopted by the state and, as a jurisdiction within the state, the City of Federal Way is required to enforce these codes. In addition, the City may amend the codes as needed to provide consistent enforcement.

B. DISCUSSION

The construction codes enforced by the City fall into two categories: "state mandated codes" and "local codes" adopted by a jurisdiction. State mandated codes are required to be enforced at the city and county level pursuant to RCW 19.27, 19.27A, and 19.28. Cities adopt codes at the local level in order to reconcile these codes with other regulatory requirements and established fee resolutions. Local codes are permissible and are needed in order to provide enforcement for local building requirements.

State Mandated Codes:

Building Code – *International Building Code* (IBC) as amended by Washington State Residential Code – *International Residential Code* (IRC) as amended by Washington State

Existing Building Code-International Existing Building Code (IEBC) as amended by Washington State

Mechanical Code – *International Mechanical Code* (IMC) as amended by Washington State

Fire Code – International Fire Code (IFC) as amended by Washington State

Property Maintenance Code – *International Property Maintenance Code* (IMPC) Plumbing Code – *Uniform Plumbing Code* (UPC) as amended by Washington State Electrical Code – *National Electrical Code* (NEC) as amended by Washington State Energy Code – *International Energy Conservation Code* as amended by Washington State (*Washington State Energy Code*)

Factory Assembled Structures, Washington State Standard for the Installation of Factory Assembled Structures

Local Codes Adopted by Federal Way:

Swimming Pools – Hot Tubs – Spas (these regulations were drafted to regulate swimming pools and provide for fencing)
